BICYCLE COALITION OF GREATER PHILADELPHIA

Equipando Familias en Bicicleta

Equipment Information:

FRONT - \$100 SEAT:

For kids 18m - 6yr of age. The front chairs hold a little less weight. But the system of attachment to the bike is safer. It is also visible to see the child and has a frontal where they can support the head when they fall asleep.

BACK - \$130 MOUNTED SEAT:

These chairs for for kids 18m - 6yr of age, can carry children up to 20-22kg. Although the only one issue they have is the visibility, having to turn around to check how the child is doing.

TRAILER - \$205 BIKE WITH ONE SEAT:

It is a child carrier for bicycles with a padded interior for one, the springs are protected by a solid metal casing that prevents the fingers from getting caught. Very safe in case a bicycle overturns the trailer stays still.
100LB Max

TRAILER - \$265 BIKE WITH TWO SEAT:

It is a child carrier for bicycles with a padded interior for two, the springs are protected by a solid metal casing that prevents the fingers from getting caught. Very safe in case a bicycle overturns the trailer stays still
100LB Max

TANDEM - \$145 OR TAG-ALONG:

For older children, between 4 and 9 years, who can already take their own bike, but you are not sure that they can go alone or for a longer distances. These Tandem or Tag-Along can be attached to your bike, to facilitate any difficulty among the little ones.
