PURPOSE AND GENERAL DESCRIPTION

Through advocacy and education, the Bicycle Coalition of Greater Philadelphia (BCGP) leads the movement to make bicycling safe and fun for anyone who wants to ride in our region. Our 2030 vision is that anyone in Greater Philadelphia can enjoy a safe and fun bike ride on a network of connected Circuit Trails, bike lanes, and low-stress streets. Bicycling has become an easy option for transportation and recreation, connecting people to each other, their neighborhoods, and the region.

The Bike Share Community Liaison is a seasonal position that supports the work of the Better Bike Share Partnership (BBSP) contract with the City of Philadelphia. The position will work specifically to engage diverse communities within the Indego bike share [service area](#).

The Better Bike Share Partnership is a collaboration between the City of Philadelphia, Indego bike share, the National Association for Transportation Officials (NACTO), People for Bikes, and the Bicycle Coalition of Greater Philadelphia. BBSP's mission is to build equitable and replicable bike share systems across the country, with Philadelphia as a central location for testing and learning best practices. BBSP began in July 2014 through a grant from the JPB Foundation, and will continue its work through support from the William Penn Foundation, as well as a second round of funding from the JPB Foundation.
