

Legislative Breakfast with Philadelphia City Council

Friday, April 19, 2024
8:00 to 9:30am
Pipeline Philly

Through advocacy and education, the Bicycle Coalition of Greater Philadelphia leads the movement to make every bicycle ride safe, to empower youth and adults to ride, and to foster a ridership that reflects the diversity of the region.

We invite you to join us for a morning of networking & conversation with City Council Members focusing on key transportation and quality-of-life projects that will make Philadelphia cleaner, greener, and safer. Your sponsorship signals that your business is invested in building a world-class city, where people from all racial and economic backgrounds have access to safe, healthy, and affordable transportation.
